

## Aktywacja konta w serwisie stripe.com.

Założ konto w serwisie <https://stripe.com> za pomocą: <https://dashboard.stripe.com/register>

**Create your Stripe account**

Email

Full name

Country 

Password

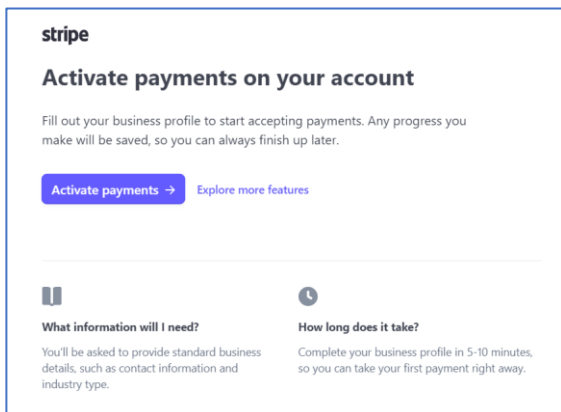

☐ Email me about product updates and resources. If this box is checked, Stripe will occasionally send helpful and relevant emails. You can [unsubscribe](#) at any time. [Privacy Policy](#)

**Create account**

Have an account? [Sign in](#)

Podaj swój adres e-mail: [nr\\_albumu@student.umg.edu.pl](mailto:nr_albumu@student.umg.edu.pl), uzupełnij pole Full Name oraz Password.

Po wybraniu Create account w kolejnym kroku należy z

**stripe**

**Activate payments on your account**

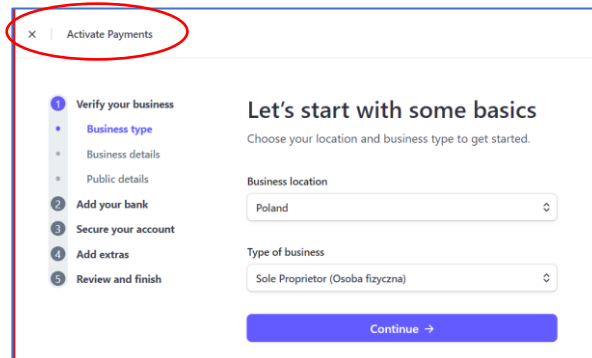

Fill out your business profile to start accepting payments. Any progress you make will be saved, so you can always finish up later.

**Activate payments →** [Explore more features](#)

---

**What information will I need?**  
You'll be asked to provide standard business details, such as contact information and industry type.

**How long does it take?**  
Complete your business profile in 5-10 minutes, so you can take your first payment right away.

**Activate Payments**

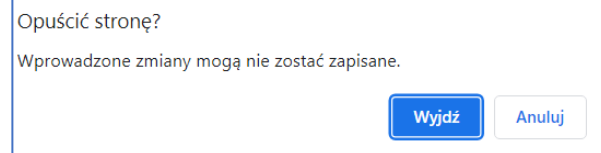

**Let's start with some basics**  
Choose your location and business type to get started.

**Business location**

**Type of business**

**Continue →**

Kliknij na znaku X Activate Payments

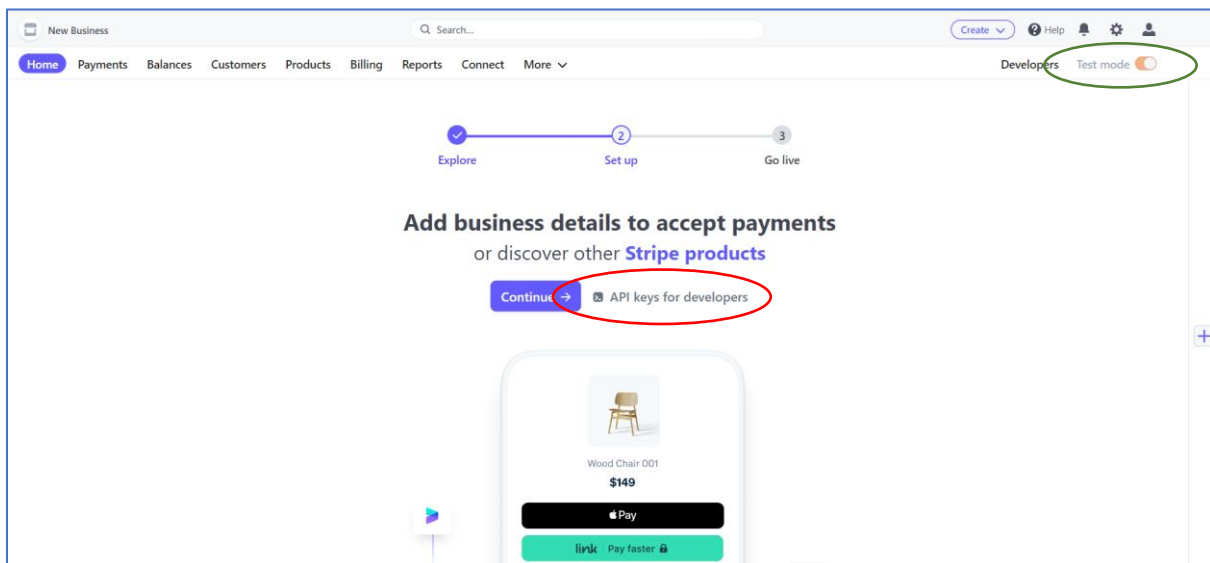

Opuścić stronę?

Wprowadzone zmiany mogą nie zostać zapisane.

**Wyjdź** **Anuluj**

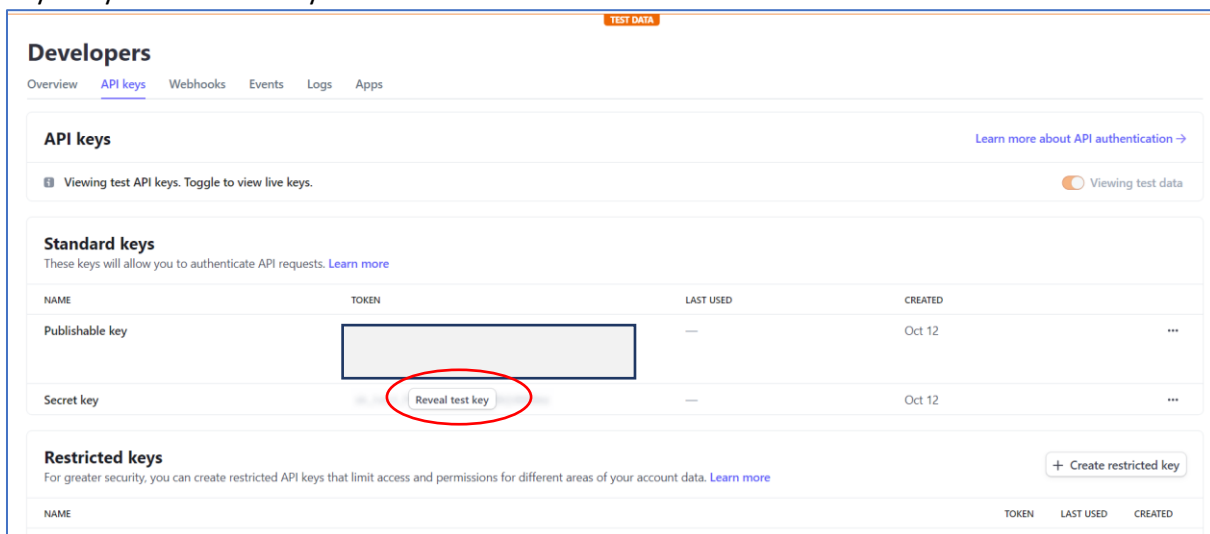

Wybierz Wyjdź z aktywacji Payments

Kolejny krok to wybranie API keys for Developers na stronie Home:

Zauważ (w prawym górnym rogu), że praca z serwisem stripe jest ustawiona na tryb Test mode – na potrzeby zajęć nie zmieniamy tego.

Uzyskany widok to API keys:

W polu Secret key wybierz Reveal Test Key, żeby zobaczyć swój Secret Key:

| NAME            | TOKEN       | LAST USED | CREATED |
|-----------------|-------------|-----------|---------|
| Publishable key | <div></div> | —         | Oct 12  |
| Secret key      | <div></div> | —         | Oct 12  |

Hide test key

Zobaczysz wygenerowany Secret Key/ Możesz go ukryć Hide test key!

Po uzyskaniu ww. klucza możliwe jest skorzystanie z REST API Stripe.
